Admission to Daniels

- There are three possible admission routes into Daniels:
 1. Direct admission upon application to the University of Denver, based on indication of business interest on application and eligibility for university merit scholarships.
 2. Fast track admission upon completing two quarters as a full-time student at DU with a 3.5 cumulative GPA or higher, including successful completion of MATH 1200 or 1951.
 3. Secondary admission upon completion of the following classes and requirements: FSEM, WRIT 1122, WRIT 1133, MATH 1200/1951, BUS 1440, INFO 1010, INFO 1020, ECON 1020, BUS 1099, and Microsoft Excel, Word, and PowerPoint certifications. During fall, winter, and spring application cycles students submit their resume and cover letter for consideration. A 2.5 minimum cumulative GPA is required to apply. Completion of these requirements does not guarantee admission.

Daniels Co-Curricular Requirements

- Microsoft Certification (MOS) requires standard levels of proficiency in the 2019 version of Excel, Word, and PowerPoint; it is a DCB application requirement and a graduation requirement.
- The Daniels Professional Development Program prepares students to achieve success in their professional careers. Students take BUS 1099 and BUS 2099 as 0 credit courses to complete these requirements.
- Students will be required to take assessment exams to show mastery of key learning outcomes and retention of course content within the business core. The following courses will be assessed: ACTG 2200, ACTG 2300, BUS 1440, BUS 3000, FIN 2800, INFO 1010, INFO 1020, INFO 2020, LGST 2000, MGMT 2100, MGMT 3000, and MKTG 2800.
- Accounting majors fulfill the Daniels International Experience requirement through registration for ACTG 3284, ACTG 3285, or ACTG 3701.
 - Students who study abroad are required to take INTZ 2501 (2 credits) up to one year prior to going abroad.

Daniels and University Policies

- Only grades of "C-" or above may be used in completing all courses taken within Daniels, and ECON 1020, and MATH 1200/1951.
- Repeated courses count toward the GPA calculation but not toward overall hours.
- A minimum GPA of 2.5 is required for all Accounting major course work, all business course work, and overall cumulative GPA in order to graduate.
- Elective credits may be applied toward a minor within or outside Daniels (other than general business minor), a second major, or fulfilled through course work from any campus unit(s) with the exception of University College. To create a well-rounded academic experience, students are strongly encouraged to take elective hours outside of the Daniels College of Business.
- At least 50% of required business courses must be completed at Daniels.
- Students may earn a maximum of 10 hours of independent study, and a maximum of 10 hours of internship credit.

Additional Accounting Advising Information

- Students must have three separate GPAs of 2.50 or better in order to begin the Accounting Core. These are the overall cumulative GPA and ACTG GPA, as well as the combination of ACTG 2200, ACTG 2300, and FIN 2800.
- The School of Accountancy requires an additional admission process for all students in the BSACC degree. This process takes place during the first quarter of the Accounting Core. See an Accounting advisor or visit the School of Accountancy in Daniels College of Business 355 for specific information.
