Firms need business graduates with knowledge of the legal and regulatory climate for jobs in human resources, marketing, purchasing and environmental affairs. Business and trade associations depend on staff members who monitor legislative and judicial decisions. A Business Ethics and Legal Studies minor provides a foundation for careers in the public or private sector.</p> <table border="0" style="width: 100%;"> <thead> <tr> <th style="text-align: left;">Course #</th> <th style="text-align: left;">Course Title</th> <th style="text-align: right;">Qtr.
