Admission to Daniels

- There are three possible admission routes into Daniels:
 1. Direct admission upon application to the University of Denver, based on indication of business interest on application and eligibility for university merit scholarships.
 2. Fast track admission upon completing two quarters as a full-time student at DU with a 3.5 cumulative GPA or higher, including successful completion of MATH 1200 or 1951.
 3. Secondary admission upon completion of DCB checkpoint 1 and the following classes: FSEM, WRIT 1122, WRIT 1133, MATH 1200/1951, BUS 1000, INFO 1010, INFO 1020, and ECON 1020. During fall, winter, and spring application cycles students submit their resume and cover letter for consideration. A 2.5 minimum cumulative GPA is required to apply. Completion of these requirements does not guarantee admission.

Daniels Co-Curricular Requirements

- Microsoft Certification (MOS) requires standard levels of proficiency in the 2016 version of Excel, Word, and PowerPoint; it is a DCB application requirement and a graduation requirement.
- The Daniels Professional Development Program prepares students to achieve success in their professional careers. Students can track their progress in completing requirements through the DPDP Canvas page.
- Students will be required to take assessment exams to show mastery of key learning outcomes and retention of

course content within the business core. The following courses will be assessed: ACTG 2200, ACTG 2300, BUS 1000, BUS 3000, FIN 2800, INFO 1010, INFO 1020, INFO 2020, LGST 2000, MGMT 2100, MGMT 3000, and MKTG 2800.

- Students who study abroad are required to take INTZ 2501 (2 credits) up to one year prior to going abroad.

Daniels and University Policies

- Only grades of "C-" or above may be used in completing all courses taken within Daniels, and ECON 1020, and MATH 1200/1951.
- Repeated courses count toward the GPA calculation but not toward overall hours.
- A minimum GPA of 2.0 is required for all major course work, all business course work, and overall cumulative GPA in order to graduate.
- Elective credits may be applied toward a minor within or outside Daniels (other than general business minor), a second major, or fulfilled through course work from any campus unit(s) with the exception of University College. To create a well-rounded academic experience, students are strongly encouraged to take elective hours outside of the Daniels College of Business.
- At least 50% of required business courses must be completed at Daniels.
- Students may earn a maximum of 10 hours of independent study, and a maximum of 10 hours of internship credit.

Additional Advising Information

- All advising and PIN deletion for Hospitality Management majors past the first year is through the Fritz Knoebel School of Hospitality Management, located in Joy Burns Center, Suite 320. Visit the Canvas page (Canvas.du.edu) for more information about the curriculum (including course titles and descriptions) and ways to be involved and engaged as an undergraduate business student.

International Experience

- Hospitality Management majors may only meet the international experience requirement by participating in a pre-approved study abroad program for at least one academic term. The Cherrington Global Scholars program fulfills this requirement. Students may take a maximum of four (4) pre-approved hours toward their Hospitality Management major requirements while abroad.
