ACTG 4_____	Other advisor-approved ACTG courses	Varies	4	_____	_____

Accounting or Other Business Electives..... 16

Students may choose 16 additional elective credit hours from the accounting courses above or from other programs in the Daniels College of Business or the Graduate Tax Program. Students often use these electives to complete their specialty track.

Total Credits for MAcc.....40-56¹

¹Entering MAcc students must demonstrate competency in four prerequisite courses in order to complete the MAcc in 40 credit hours. Students may be admitted to the program before the prerequisites are met. In this case, students take the prerequisite courses as they complete the MAcc program and the student’s degree plan may range from **40-56 credit hours**.

Students may demonstrate competency in the 4 prerequisite courses in the following manner:

Students with an undergraduate degree in accounting from an AACSB school	Earned a B- or better in the ACTG courses or by passing an on-campus exam.
Students with a non-accounting (or non-AACSB accounting) undergraduate degree	Passing an on-campus exam for the ACTG courses.

For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 and an accounting GPA of 3.0 are required for graduation. Electives must be graduate (4XXX-level) courses. Program requirements are subject to change without notice.
