Total MSAQF Elective Credits			16	
Total Credits for MSAQF			45-57	

Entering MSAQF students must meet three required prerequisite courses. Students take the prerequisite courses as they complete the MSAQF program and a student's degree plan may range from 45-57 credit hours. The three prerequisite courses are:

Students may demonstrate competency in the three prerequisite courses in the following manner:

- Accepted to the MSAQF program through the University of Denver's Undergraduate Master's Accelerated Admissions Process (MAAP) and earned a B or better in the undergrad equivalent course as part of their undergraduate degree program. Undergraduate degree must be in finance.
- Passing an on-campus waiver exam before the start of the MSAQF program.
- Submitting a course syllabus (for completed coursework) for evaluation approval as transfer credit. The course must have been taken less than five years from the date of application for transfer credit.

*Students without coding experience in 'R' should take FIN 4500 before FIN 4830 if possible.

For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 is required for graduation. Electives must be graduate (4000-level) courses.
