Pioneer Careers & Internships

New! Corporate Finance Analyst

Ascentris is a real estate private equity firm based in Denver, Colorado. With over \$1.2 billion in assets under management, Ascentris manages a series of fully discretionary institutional vehicles targeting core and value add investments across all the major property types and geographic regions within the United States. Since 2003, Ascentris' management team has relied on an investment philosophy and organizational structure that results in its investors getting to opportunities ahead of the market while receiving an unmatched level of service, transparency and accountability. Ascentris is a privately held and management-owned SEC registered investment adviser that maintains an unwavering commitment to put its investors' needs first. For more information, please visit www.ascentris.com.

The **Corporate Finance Analyst** is an integral member of the corporate finance team. The corporate finance analyst reports to the investor relations associate and is responsible for all aspects of financial planning, analysis and reporting functions, as well as an aide to the chief financial officer. Responsibilities include financial and performance reporting to senior management, third-party index providers, consultants and clients. In addition, the financial analyst maintains financial and performance data, creates reports and conducts other financial and reporting activities in support of the firm's projects. The position is based in Denver and may require infrequent travel.

Apply by Dec. 31, 2019.

Visit Pioneer Careers for the job description, qualification requirements and to apply.

Tax and Treasury Intern

Oracle's corporate tax and treasury department is looking for enthusiastic and motivated **Tax and**

Treasury interns to support Oracle's tax reporting group.

The intern will work alongside Oracle's corporate tax and treasury professionals and will support Oracle's tax planning, treasury planning, PMO, income tax compliance, withholding tax compliance or non-income tax compliance teams.

The intern will assist with the administration of our federal tax compliance services (preparing quarterly estimate tax projections, tax attribute tracking and modeling, assist with the completion of tax forms for the consolidated tax return, coordinating tax services with our external services providers, respond to federal notices, etc.), and/or various routine projects, in the areas of corporate finance, risk management, process improvement, data analysis and other special projects as needed.

Visit Pioneer Careers for the job description, qualification requirements and to apply.
