Accounting Firms Trek

May 5, 9am | Downtown Denver

Interested in visiting four of the top accounting firms in the Denver area? Want to network with hiring managers and DU alums? Your Daniels Career Services team has coordinated with four accounting firms to host students on Friday, May 5. The visits start at 9am and end at 4pm. While this seems like a long day, this is an exclusive event that is limited to 15 students. This is your opportunity to see the

culture of these firms up close and personal. Some students have received job/internship offers from visits like these.

We will meet at the University of Denver Light Rail station about 8:15am and walk to each firm, no more than 10 minutes. Firms will be covering their application process, offering a tour of their facilities, and time to network with staff members. A final schedule that will include the firms we will be visiting will be sent to the attendees.
