American Idiom of the Month

“Rain check”

Meaning:

To postpone something to a later date

Origin and Usage:

The term “rain check” comes from the game of baseball. Dating all the way back to the 1800s, the word was originally used to describe a common practice of giving attendees at baseball games tickets to a game that had to be rescheduled because of weather. The term is used in a much broader context today to refer to postponing a meeting or event until a later time.

Example:

Tom: I had a last-minute project come up. Can we take a rain check on our meeting?
