

ACCOUNTING STUDENT NEWSLETTER

SCHOOL OF ACCOUNTANCY | DANIELS COLLEGE OF BUSINESS

Fall is off to a great start!

Thank you to everyone who was able to attend our 2015 Town Hall event featuring Bethany McLean. We had over 200 people in attendance which made for a wonderful discussion. If you were unable to attend, you will soon have an opportunity to experience the event via a video recording. More details will be released in the next newsletter.

Beta Alpha Psi's annual fall kickball tournament was a huge success! Congratulations to the winners, Greiner's Grizzlies.

PwC Challenge

PwC's annual case competition is coming up quick! Delve into an exciting case, build teamwork and camaraderie with your peers, network with accounting professionals, and gain experience presenting to a panel of PwC Partners. See attached flyer and contact Dr. Greiner for more information at adam.greiner@du.edu.

Paid Tutoring Position at LEP

The Learning Effectiveness Program at DU is looking for tutors in all subjects and especially for classes within Daniels College of Business. Please email Suzanne Medwid at Suzanne.medwid@du.edu if you are interested in this opportunity. You can create your own schedule and tutor as much as your schedule allows. Pay is \$12-\$16 an hr. See attached document for more information.

AMERICAN IDIOM OF THE MONTH

students get ahead. Our mission, as a part of a great private university dedicated to the public good, is to foster Enlightened Practice, Professional Achievement, Knowledge Creation and a Commitment to the Community. Our School's students, faculty and alumni work together to ensure that this mission is achieved by producing high quality, meaningful work that advances the field of accounting. As a result, our graduates are armed with the practical skills and knowledge needed to thrive in today's business world.

Feedback?

We'd love to hear what you think! Is there anything you'd like to see in the newsletter that isn't here? Anything there's too much of? If you have any comments, questions, or concerns, please email them to [Jodye Whitecell](mailto:Jodye.Whitecell).

"Back to the drawing board"

Meaning:

To start at the beginning again; to redesign or redo a project after a failed attempt

Origin:

The idiom "back to the drawing board" developed in WWII as a reference to the drawing boards used by architects in designing and preparing blueprints. The first known use was in a cartoon by Peter Arno (at right) in reference to a flawed airplane design. Since then, the phrase has been adopted by American society and business and refers to a need to start a project over again at the very beginning (i.e. the design phase).

"Well, back to the old drawing board."

Example:

Despite months of trying, Natalia and Franklin were simply not able to make their relationship work. They were both going to have to head back to the drawing board and hope their next attempts at dating were more successful.
