

ACCOUNTING STUDENT NEWSLETTER

SCHOOL OF ACCOUNTANCY | DANIELS COLLEGE OF BUSINESS

Autumn has arrived!

It's time to dust off those textbooks and sharpen your pencils - fall quarter is right around the corner! **Kick off the new school year with us at our Welcome Back Reception on Sunday, September 11 from 5-7pm.** Meet your new classmates and faculty members, reunite with friends, and celebrate the start of fall. Attendance is free and includes hors d'oeuvres and a hosted bar. [Register here.](#)

Recruiting starts Week 1

Spend some time next week sprucing up your resume and prepping for recruiting season. Meet and Greets with accounting firms start in Week 1 and Beta Alpha Psi's Meet the Firms event is on Friday, September 16th. Check out the attached Meet and Greet schedule and visit BAP's website at www.denverbap.com for more details on their events.

We're hiring!

If you have work study as part of your financial aid package, check out our posting on the Work Study job site (PioneerWeb>Student Tab>"Find A Job"). We're hiring for this academic year and would love to have one of our students fill the position!

DU's BAP Chapter earns Gold Challenge Award

Over the summer, a team from our Beta Alpha Psi chapter travelled to Baltimore for the annual BAP national meeting and best practices competitions. We are proud to announce that our Alpha Zeta chapter was awarded the KPMG Gold Challenge award at the meeting, signifying excellence as a chapter. BAP

Member Kane Spillar also participated in Project Run With It – an exclusive community service project that consults to develop solutions to a business problem within a local non-profit organization – and his team won first place!

AMERICAN IDIOM OF THE MONTH

“Learn the ropes”

Meaning:

To learn how to do something

Origin and Usage:

The phrase “learn the ropes” is nautical in origin. When new sailors are training on sailboats, they have to learn how to tie knots and manipulate the sails so that they catch the wind in the best possible way. These lessons were called “learning the ropes”. The phrase has evolved and is now used to discuss the process of learning something new, nautical or not.

Example:

Ricky had just started his new job on Monday; it was going to take him a little while to learn the ropes before he felt confident in what he was doing.
