Admission to Daniels

There are three possible admission routes into Daniels:

1. **Direct admission** upon application to the University of Denver, based on indication of business interest on application and overall strength of application credentials as determined by the Office of Undergraduate Admission. Transfer students are evaluated on incoming transfer credits, GPA, and submission of a professional resume.

2. **Fast track** admission upon completing two quarters as a full-time student at DU (minimum 12 GPA-bearing credit hours per quarter), with a 3.5 cumulative GPA or higher, including successful completion of MATH 1200 or 1951. International students matriculating from the ELC must have 12 hours of non-ENGG coursework in each of two separate quarters for consideration towards Fast Track eligibility.
