- The Construction Project Management minor may be completed by students pursuing any type of undergraduate degree at the University of Denver, with the appropriate dean’s approval.
- The minor GPA must be 2.0 or higher to graduate.
- Only grades of “C-” or above may be used in completing minor requirements.
- Any minor course substitutions must be pre-approved by the Director of the Burns School.

The programs within the Burns School at the Daniels College of Business provide solid foundations in both the theory and practice of real estate and construction management. Construction Management minors learn how to determine the economic feasibility of a project, plan the construction, schedule the project, control the associated costs, and manage all financial aspects of the project.
