SUMMARY

- Over 20 years of consulting experience in microfinance, development finance and social enterprise strategy.
- Recent focus on helping social purpose organizations, funders, and investors define, design, and manage their social impact.
- Enthusiasm for learning, teaching, and collaborating for sustainable positive change.

PROFESSIONAL EXPERIENCE

UNIVERSITY OF DENVER – Denver, CO

Faculty Director, Social Enterprise Fellowship, Barton Institute for Community Action

July 2017 – June 2020

- Helped design and manage a year-long program to connect graduate and professional students to the theory, practice, and challenges of social enterprise. Program lasted 3 years.
- Responsibilities included facilitating competitive selection of interdisciplinary cohort of University of Denver graduate students, curriculum design, career mentorship, and project management for capstone consulting projects with local organizations.
- Built relationships and made presentations on social enterprise for the Barton Institute.

Adjunct Faculty, Josef Korbel School of International Studies, University of Denver

September 2008 – present

- Teach two or three graduate-level courses per year, including Microfinance & Sustainable Development, Microfinance & Inclusive Markets, Social Entrepreneurship & Global Poverty.
- Design and facilitate student project-based learning, independent studies, and externships.

Adjunct Faculty, University College, University of Denver

January 2019 - present

- Advise on design of Social Enterprise track for Nonprofit Leadership Master's Program.
- Serve as course designer and lead faculty on Principles of Social Innovation, Entrepreneurship, and Enterprise course.

INDEPENDENT CONSULTANT – Denver, Colorado

2006 – present

- Help social impact organizations, funders, and investors to design, launch, and manage business strategies to achieve their social impact goals.
- Develop business strategies, performance metrics & tools, and capital raising guidelines.

Member, Futurebound Advisory Group, Gary Community Investments – Denver, CO

September 2019 – May 2020

- Advised on initiative to build the innovation ecosystem for child development in Colorado.

Adjunct Faculty, Kellogg Graduate School of Management, Northwestern University -

Evanston, IL

1995-1999

- Designed and taught annual Development Finance course in Public-Nonprofit Management program, with focus on microfinance, community development, and development venture capital.

Managing Director/Senior Consultant, ShoreBank Advisory Services – Chicago, IL

1991-2001

- Helped lead national consulting firm for community development finance.
- Specialized in business strategy, capital raising, and impact management for community development financial institutions (CDFIs) and microfinance institutions (BRAC, OECD)
- Wrote publications on microfinance business models (for Mott Foundation and OECD), MFI risk management (with ACCION International), small business development (The Ford Foundation), and social impact management.
