Total Credits for MAcc			40¹		
Total Credits from BSAcc			186²		
Total Credits for the Dual Degree			226		

¹Students need to take additional preparatory course work or demonstrate competency in introductory and intermediate financial accounting, introductory managerial accounting, business statistics, business finance, and business communication. Competency is demonstrated by having earned a B- or better in equivalent courses or by passing an on campus exam.

²Students should not take the following classes at the undergraduate level as they are part of the required courses at the graduate level. These courses should be replaced with other 3000-level business courses.

ACTG 3284	Consolidated Financial Statements	2
ACTG 3285	Accounting for Foreign Operations	2
ACTG 3462	Corporate & Partnership Taxation	4
ACTG 3607	Not-for-Profit Accounting	4

Note: Daniels BSBA or BSAcc students please see a “Dual BSAcc/MAcc” advisor for questions regarding individual degree requirements.

For detailed academic policy information, refer to Graduate Student Handbook. An overall GPA of 3.0 and an accounting GPA of 3.0 is required for graduation. Electives must be graduate (4000-level) courses.

Program requirements are subject to change without notice.
